SUGGESTION

184 responses

Good

No

Everything is good

Good college

All is good

Excellent

No suggestion

All are good

Laboratory should be upgraded

This much

Need more attention at hostel for food.

College Should Focus on Extracurricular Activities for Final Year Students

There is lack of teaching staffs

No Sports Activities in the Colleges Need Sports College week etc..

1)Put out exam routines like 3-4 weeks early. 2) Unfair treatment should not be done to students.

Library books should extend.

Excellent faculties

Needing more Teacher

Nice

It's is very good institution

Principal

Good College

Thank to the college

Very good

focus on practical in field with relatives subject

Allover is good but the notification distribution process and time could be better..... avoid student's time wasting and and improve extra activities like sports music dance etc. Not only studies..

Change the jakhan hostel mess incharge because he is very rude

Need to improve management of semester . although teachers are well communicated .

Should improve the food of the mess and the communication of teachers towards students

Better field work

Well disciplined

Basketball courts

Its a good college

Less number of professors

Everything will be fine

Good and quality education and teachers are very supportive

Good, it's improving

Nothing much . All departments are quite good

Well College

All are good

Good environment to study. Teachers helps us that enhances our performance and raise our confidence. Qualitative education is provided.

Hostel food must be improved and our college should be more cooperative with students

SKILL DEVELOPMENT PROGRAM

Name of the Program: Preparing a presentation, Interview Skills
Date: 27 th Sep, 2021
Number of Participants: 32
Organised by: Department of Agriculture, DCAST, Dehradun
Description: The programme explored the importance of planning dream and also emphasized the significance of improving English language performance and language learning strategies. He explained the job interviews should be a process of two-way communication. Not only for employers to use to evaluate you, but they are also an opportunity for you to assess the job, the organization, and to see if there is a "fit."
