SUGGESTIONS FOR IMPROVEMENTS

79 responses

No

Excellent

Everything is pretty good

Teacher team is extremely supportive

Good of everything nice coaching

My academic session was satisfactory, as it helps me improve in my self confidence, ethics, self learning and creative attitude.

Library facilities are also good with enormous number of books, eBooks, e journals etc. which helps me in self learning and research.

I suggest to have more placement opportunities for Masters students.

Extra curricular activities must be considered as an important part of students development also management system must be improved.

Increase staff

First of all thanks you anil sir for everything.

College improve by itself and there are experts and well educated staff to give suggestions for improvements.

Thank you 😊

Promotion of self learning

Educational tour to be improved

Need more and well equipped laboratory equipments

Everything is Good . And I am really missing my staff Dr. Vishakha saxena (Head, Forestry) and Mrs. Rakhi Bangwal (Ap, Forestry) who helped me for my achievement. Really I am so thankful for our college and my lovable staffs. I will be grateful forever.

Thank you for this feedback initiative for the better improvement. Whatever facility and knowledge shared by the faculty is up to the mark but as per my point of view need to give more field experience to the students for the better understanding. As a college students they

Principal
Doon (P.G) College of Agriculture
Science & Technology
Camp Road, Seelmuhi

have to understand what society needs from the one agriculturist and what is more suitable for the farmers. How the market is reacting along with the working style. So overall I just want to share is need to give them more field experience to become good agriculturist, otherwise staff, facility, faculty, education style, culture everything is up to the mark.

Thank you
Best Regards,
Mukesh Chaudhari
B.Sc. Agri 2013-17 batch
M.Sc. Agronomy 2017-19 batch

Good

Overall good!!

Placement and need as much as possible

Need to conduct more events

Regular feedback surveys and transparent communication channels would make students feel more heard.

Improving standards of teaching learning process
Proper focus on academics

I dont any

NO NEED OF IMOROVEMENT ,ITS ALREADY UPTO MARK

Need more hygienic canteen

1. Update Curriculum: Add modern topics like precision farming, AI, and climate-smart agriculture.
2. Enhance Practical Training: Provide hands-on experience with advanced tools and model farms.
3. Research Focus: Promote local and global agricultural research collaborations.
4. Strengthen Industry Links: Establish partnerships for internships, placements, and workshops.
5. Encourage Sustainability: Implement eco-friendly campus initiatives and renewable energy projects.

Principal
Doon (P.G) College of Agriculture
Science & Technology
Camp Road, Selaqui

6. Boost Alumni Network: Engage alumni for mentoring, guest lectures, and events.

7. Career Support: Provide guidance for jobs, competitive exams, and skill-building programs.

No need to improve

Some more teachers are required for more better management. Otherwise overall all of the teachers help and cooperate with students all the time and anytime. Thank you

For master degree the programs and activities organised in the institution were less and laboratories need to be improved as well

Both Outdoor and Indoor Games and Activities inside the Campus is Required...
Special Sports Class and Curriculum activities Required, Like Music arts and Self Defence Guidelines..
Thank you.

Should focus on more career developing skills training, workshop and seminar.

Nothing needs to be improved

More seminar , workshop and training

Need a strict rule regarding attendance

EXCELLENT WORK DONE BY TEACHERS IN ALL ROUND DEVELOPMENT OF STUDENTS. NEED SOME IMPROVEMENT IN INFRASTRUCTURE.

The Labs Should have AC. There should be projector in every class rooms. And In every department there should be atleast 4 Professors. The canteen needs to be renovated.

None

No suggestions everything was excellent

It is good to have some good online classes once in a while

Need to focus on placement.

Everything was good!

Increase the number of events organised.

Hostel Food quality

Principal
Doon (P.G) College of Agriculture
Science & Technology
Camp Road, Seelmuhi

Hostel food

I think more practical and low assignment after lectures helpful to students to self study otherwise assignment hour eat all study time & should more focusing in digital based lectures like some topics more hard & confusing then should smart board use it is helpful to students...Thank you

No suggestion

Everything Is Good...No need to improve

Overall 6.5/10 😊

Held surprise test in every months 😊

Required good quality hostel food

Good

Nothing

Everything is optimum

Yes

Digital education & more practical

Allover is good but also need to improve in every aspects.

Everything's good

Na

All is best in college campus

Mess food

Very good college and quality based education and good academic record for agriculture college

There is no gym facility in college or hostel and also the wifi facility is totally useless.

Hostel food..

Principal
Doon (P.G) College of Agriculture
Science & Technology
Camp Road, Selaqui

Increase the number of faculties

Improvements can be done for getting more Skills development programs

Placements

Canteen

Need to improve it more and more

More seminar and extra activities

Provide More faculties for Forestry department and the management should be friendly to the students .spread positivity .

Provide More faculties for Forestry department. And management should be friendly to the students . Thankyou

very good clg

Games and sports should be included

Other languages give something important to study and important to some staff are give a also lot's of support about my study and career (respected Gaurav Varma sir , R.k sir , Meha mam , prasanth sir and principal sir, Deen sir) and importantly improve the hostel facility,, thank you so much for each and every staff supporting me purpose

Make teaching a two-way interaction.

ACTION TAKEN REPORT ON ALUMNI FEEDBACK ON ACADEMIC AMBIENCE

S.NO.	SUGGESTIONS FROM <i>ALUMNI</i>	ACTION TAKEN
1.	Extra- curricular activities and educational tour to be organised.	Already being organised as part of academic routine
2.	Update Curriculum: Add modern topics like precision farming, AI, and climate-smart agriculture.	Presently these topics have been included in new curriculum provided by the university as per 5 th dean committee report
3.	Implement eco-friendly campus initiatives and renewable energy projects.	Presently we have eco-friendly initiatives like Gobar gas plant, vermi-composting, Bijamrit etc
4.	Should focus on more career developing skills training, workshop and seminar.	Initiatives have been taken to conduct workshop, training and seminars.

Memorandum of understanding (MOU)

This Memorandum of understanding (MOU) is entered into on 01 April 2024 till 31 March 2029 by and between: Doon (PG) College of Agriculture Science and Technology, Camp Road, Selaqui, DehraDun-248011(Uttarakhand) through its Academic Coordinator, Dr. Satish Kumar.

And
Sukman Infrasy's through its representative Mr. Nitin Jain (Proprietor) 13/11 Mahant Road, Laxman Chowk, Dehradun -248001, Uttarakhand

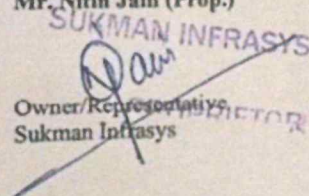

Back ground:
Doon (PG) College of Agriculture Science and Technology, Camp Road, Selaqui, DehraDun-248011(Uttarakhand) committed to environmental sustainability. Sukman Infrasy's specializes in waste management and the purchase of recyclable material.

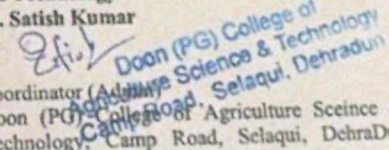

Purpose:
The purpose of the MOU is to establish a framework for collaboration between Doon (PG) College of Agriculture Science and Technology, Camp Road, Selaqui, DehraDun-248011(Uttarakhand) and Sukman Infrasy's for the efficient management and purchase of scrap materials.

Terms and Conditions:

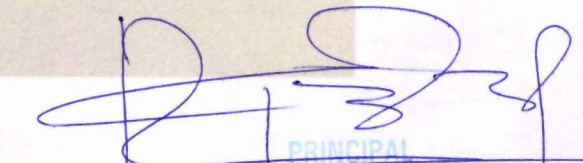

Scrap Purchasing: a. Doon (PG) College of Agriculture Science and Technology, Camp Road, Selaqui, DehraDun-248011(Uttarakhand) and agrees to provide Sukman Infrasy's with scrap materials generated within its premises including paper, plastics metal and e-waste.
b. Sukman Infrasy's agrees to purchase the scrap materials from Doon (PG) College of Agriculture Science and Technology, Camp Road, Selaqui, DehraDun-248011(Uttarakhand) at a mutually agreed price, subjected to periodic review and adjustment.

Waste management services: a. Sukman Infrasy's agrees to provide waste management and segregation services to Doon (PG) College of Agriculture Science and Technology, Camp Road, Selaqui, DehraDun-248011(Uttarakhand) ensuring proper disposal and recycling of waste materials.

For M/S Sukman Infrasy's
