Number of Participants: 29 student

Speaker: Mr. R.K. Mishra

Description: The program was organized to provide different tactics for how to be successful in life, but the strategy that works best for you may depend on what success means to you. If you think of success as doing well at work or earning a high salary, your professional goals and accomplishments will take priority. There may not be a perfect combination of ingredients that can guarantee success. Still, there are some basic steps you that can improve chances of being successful in life, love, work, or whatever happens to be important to you.
