About Academic and Administrative Audit

The purpose of the Academic and Administrative Audit is to evaluate the performance of the various departments of college and give suggestions for further improvement of the quality of teaching, administration, research and curricular and extra-curricular activities.

Objectives of AAA:

- To understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units and to suggest the methods for improvement and for overcoming the weaknesses.
- To evaluate the optimum utilization of financial and other resources.
- Designing effective teaching and learning processes
- Evaluation of Course and Program Outcomes
- Developing student assessment .
- Assuring quality education by implementation of co- curricular and extracurricular activities.

AAA Methodology:

The college has evolved its own guidelines and methodology by learning from good practices followed by leading institutions within India .The College has its own committee to conduct and review various activities at the different departments.

Overall Comments and Suggestions:

All the department heads and faculties are informed to focus more on research and publications and motivate UG and PG students to emphasize on innovative work.

All the department heads and faculties are here by informed to focus more on publishing chapters and text book publications.

All concerned committees are advised to conduct Seminars/Conferences/workshops on regular basis in the college.

All the students including alumni are motivated to participate in all the co-curricular activities.

The overall status is appreciable but there is also further scope for improvement to recognized globally.
